Excisions: Excisions Recommended And Made

Reasons for excisions:

An excision is required to remove the first scene of the feature in which several men treat a woman in a degrading and contemptuous manner throughout the sexual activity, and particularly during sequences of forceful fellatio. The material objectifies and highly degrades the woman by presenting her as a sexual utility for the men's own sexual gratification, an affect exacerbated by the fact it is presented for the entertainment and sexual arousal of the male viewer.
